RE: Weekly Update November 3-6, 2020

Good morning Parkcrest families,

A few items for you to be aware of are listed below! Thank you for reading.

We have received communication from some of our school neighbours about congestion and parents parking in front of private homes for pick up/drop off. **Please respect our school neighbours by not blocking any driveways at any time!**

- 1. School Photos:** We had photo retakes last Thursday. Just a reminder to order can be done online at the Lifetouch website and with the school code being QH010195QP.
- 2. Bussing and Masks:** Please be aware that masks are not required for elementary students on SD#73 buses. At the beginning of the year I suggested that all students using our buses wear masks due to the fact that there are a variety of cohort groups on each bus and not every student has a sibling beside them. I continue to request that if students can, please wear a mask on the bus to keep themselves, and all others safe.
- 3. Breakfast Program:** If there are any other families that would like a registration form for the Powerstart Breakfast Program please email me and I will get registration forms to your child(ren). If I have missed you from the last time I emailed please email me back :)

4. PAC News:
